

"INTRODUCING"

THE UNIVERSAL SURE-SEAL CLAMP™

"IT'S WHAT YOU HAVE BEEN WAITING FOR."

The Universal Sure-Seal Clamp™ is a revolution in the clamping industry. It provides a true 360° seal. It seals all tubular joints, keeps them from separating and prevents leaks.

The Universal Sure-Seal Clamp™ is currently being used by the professionals for Exhaust Connections and Exhaust Mounts in the High Performance Automotive, Heavy-Duty Truck and the Off-Road Equipment Markets. Other applications include Rubber Hose in water, air and hydraulic connections.

The Universal Sure-Seal Clamp™ is an innovative and highly-engineered product designed to provide that true 360° vibration proof, leak proof seal on all tubular connections. There is no comparison or other clamp like it in the Industry.

The Universal Sure-Seal Clamp™ is a true heavy-duty clamp, engineered and designed by professionals for those tough, demanding applications--applications that require solutions that go
